Weight Empty	127kg

- Convenient Walk Through Tunnel
- High volume 140 gallon waste capacity split between each tank.
- Accommodates up to 6 people simultaneously.
- Substantially Reduces Queues at large scale events.
- 24/7 emergency support

The 6 Man Urinal is suitable for a multitude of events. A popular choice for sporting events, Music festivals and any other large scale event. Reducing queues significantly the urinal tunnel can hold up to six people at any given time.

The 6 man has a large waste capacity of 636 litres, and can be emptied in just a few minutes by our expert service team. What sets this unit aside from the 4 man urinal is its tunnel like construction, its more discreet eliminating the need for fenced privacy areas.

This unit arrives spotlessly clean and ready to use.
